

RTÉ Raidió na Gaeltachta Offer - Extended

For the first time in RTÉ Raidió na Gaeltachta's 50-year history we are taking Irish language advertising and to celebrate we have a special introductory offer for August & September.

This offer has now been extended for October – December 2024.

Ads translated into Irish tend to be longer and we want to give your brand the extra time and space needed to resonate with the listener. This is a great opportunity to enhance your Irish language messaging on RTÉ Raidió na Gaeltachta.
