RAISED BY THE VILLAGE

September 2019

Following the success of 2018's pilot series Raised By The Village returns to RTÉ One this autumn for a brand new four part series.

Raised By The Village tells the story of eight city families who need serious help with parenting and are taking drastic steps to get it. In a last ditch attempt to reign in their rebellious kids, each of the eight families have decided to move their troublesome teens to the heart of the countryside to be raised by the village.

Under the guidance of one of Ireland's top child psychotherapists, Stella O'Malley, the teenagers will get a dose of teenage life "Irish village style" but will the teenagers learn to behave better when they're part of a tight-knit community where the local adults keep a very close eye on what they get up to?
